

# Modern Languages

East Leake Academy

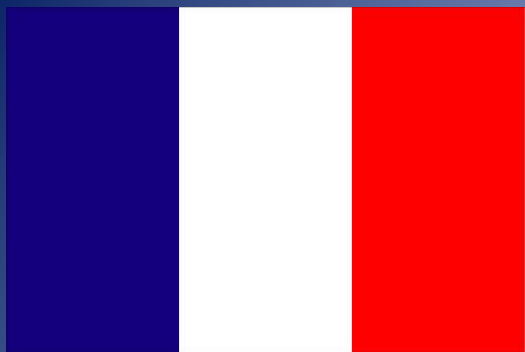

## KS3 Languages

All students at ELA study either French or German at KS3. We begin by focussing on phonics to develop communication skills and discuss word origins and formation.

We move on to embed speaking, reading, listening and writing across a range of topics such as hobbies, where you live, preparing food and going on holiday.

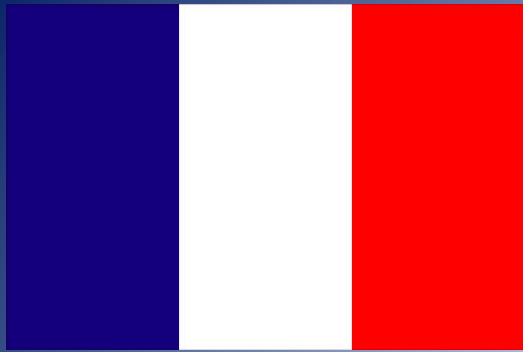

## KS4 Languages

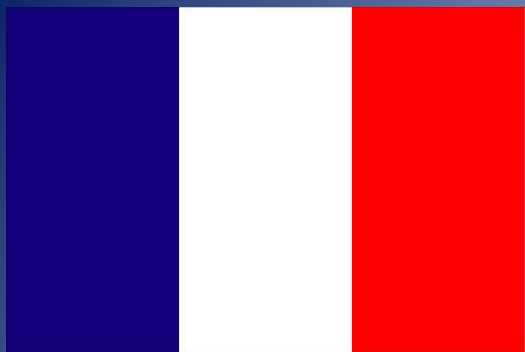

Students can opt to take the language they have studied during KS3 for GCSE. KS3 languages covers core content to fully prepare students for taking a language at GCSE.

We follow AQA GCSE French and German, which comprises of speaking, reading, listening and writing components worth 25% each. The broad themes we cover are identity and culture, local and international areas of interest, current and future study and employment.

# Homework

Homework is set of vocabulary once a week at KS3 and supports memory recall of key vocabulary. All KS3 students complete weekly mini quizzes in class, which supports students to form their own language within the topic they are studying.

## Extra- Curricular Activities

KS4 MFL masterclasses

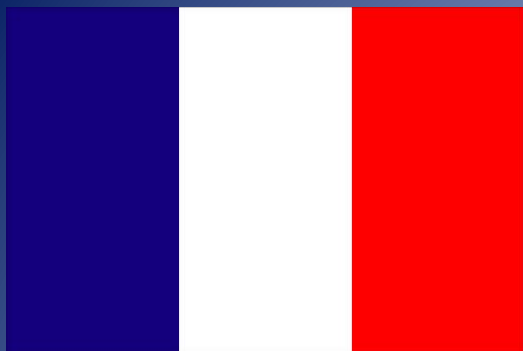

KS3 languages club

Year 8 French Trip

Year 9 German Trip

KS4 French and German trip

(trips currently suspended until Covid restrictions are lifted)

# MFL Team

Mrs Purdy – Head of Faculty

Mrs Burrows

Miss Gould

Mrs Williamson

Mr Heaton
