## Teachers within the department:

Mr Jonathan Burrows

Mr T Ashton

## What do we study in Music?

In Year 7 students begin to investigate the elements of music, composition, performance and learn about the many different styles of music. All lessons are practical and focus is given to students being able to perform and receive ongoing feedback that informs future development. Students will also learn about music from different parts of the world and have the opportunity to compose and perform music styles that are different to what they would usually listen to. Students are given an insight into the music and creative industries and learn about the many different careers that exist.

The topics we study are:

- Elements of Music
- Developing practice methods
- Musical notation and theory
- Popular Stringed Instruments
- Samba Music
- Performing as an ensemble

## Extra-Curricular Clubs:

We offer-

- Instrumental lessons on Drums, piano, voice, flute, saxophone, clarinet, pop strings and traditional strings
- ELA Rock school
- ELA Singer/Songwriter Club
- Orchestra
