Year 11
Prepare to Perform
2020
Maths

EAST LEAKE
ACADEMY

Why are we here today?

To be fully prepared for our maths exams by:

Knowing how to revise

Knowing where to find resources

How to identify what to revise

Year 11 GCSE MATHS - Personal Learning Checklist (PLC)

Name_____ Tier of Entry_____ Target Grade_____

Red	I need to revisit this topic and do some more work
Amber	I understand some of this topic and need to work on my weaker areas
Green	I fully understand this topic

Number – Foundation and Higher	Done	R	A	G	MW clips
Place value					1
Order Integers and Decimals					2,3
Reading scales and real-life tables					4,6
+ - x ÷ with Integers and Decimals					17-20, 66, 67
Inverse Operations					21
Negative numbers					23
Fractions – equivalent, simplify, compare					24-27, 70

How to revise:

To memorise facts and formulae:

- Make revision cards
- Mind maps
- Ask someone to test you

Practise exam questions

Resources Available

Every student can access the following resources on DELIVERY:

- AQA topic tests
- Formulae sheets
- GCSE Revision Sheets with answers
- Knowledge Organisers
- Revision - exam questions by topic with answers
- Revision Cards
- revision checklists inc. mathswatch clips
- Revision quizzes
- Revision Strategies
- The language of Maths Exams
- Year 11 Personal Learning Checklist (PLC)

Microsoft Teams

Every student can access the following resources on MICROSOFT TEAMS:
