

Year 6 Transition Weekly Update – July 23rd 2021

Mr Chambers and the Year 7 Tutor Team message:

“After the disappointment of England’s loss in the Final, I have finally managed to forget about it, but if you want me to discuss the tactics Gareth should have used, I will happily do so! Some of you will be meeting new friends and staff in the summer school; some will meet those people in September but there is one thing we all have in common, that being we cannot wait and are super excited to meet everyone whenever it may be. If you are a little nervous, then I imagine you are not alone, if you are so excited, there will be many fellow students who are feeling the same as you. We hope you have the best summer possible with all restrictions lifted, be as we have said to all the current ELA students, make sure you are **SAFE, RESPECTFUL** and **RESPONSIBLE**, in whatever you get up to during your well earned summer break.”

Quote of the week:

“Take the first step in faith. You don’t have to see the whole staircase, just take the first step.”

Martin Luther King Jr (Black rights campaigner)

Summer Challenge:

Thank you so much for completing and challenging yourself, I hope the messages from the staff have helped and you will see some familiar faces when you come in to the Academy.

Your final challenge from me will be easy, no need to send any pictures, photos or work in. I would like you to say thank you to your parents for looking after you during three lockdowns, home schooling most of you during these lockdowns, but most of all for being the best friends you can ask for. You can do this by buying them a present, getting grandparents to watch you so they can go out, or arrange a film night in for all the family. Anything that will show the appreciation they deserve. You can then tell your tutor all about this, when you come in to the academy.
