

16 BY 16

At ELA we are committed to supporting your academic progress, personal development and enrichment. The ELA 16 by 16 entitlement is a pledge that you will complete 16 essential experiences over your academic journey from Year 7-11. Each task is designed to prepare you for life in modern Britain and develop the skills you will need to take an active role in our community.

Through these 16 experiences, you will act on and embed our Academy values:
